

„Wenn die Frühlingssonne lacht,
wenn die Blumen aufgewacht,
kommen übers weite Meer
alle Vögel wieder zu uns her.
Ruh'n sich erst ein wenig aus,
fliegen dann über die Berge nach Haus.

Eines hierhin, eines dort!
Jedes an einen anderen Ort.
Und wer sie hat zuerst gesehn,
der steigt auf die Höh'
und bleibt dort stehn.

Die Kinder rufen vor Freude: „Hurra!
Der Frühling, der Frühling ist wieder da!“ “

Im Feenland

*Im Wald sieht man das leichte Glimmen,
von überall hört man die Stimmen.*

*Ein leichtes Lachen, ein zartes Gekicher,
das sind Feen, da bin ich mir sicher.*

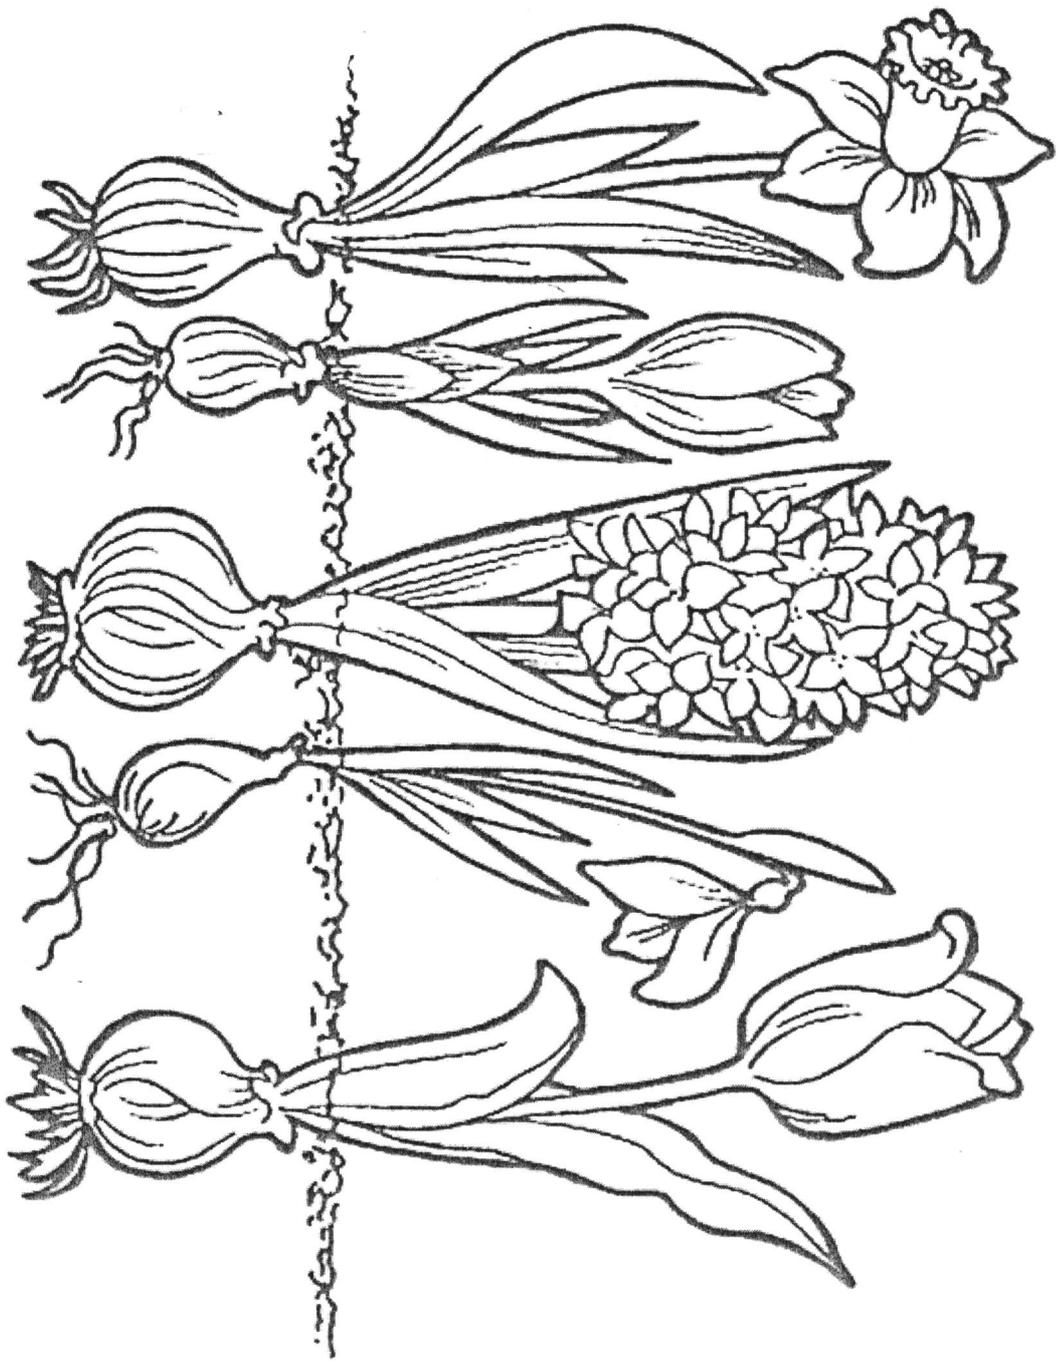

*Sie kommen und Tanzen im Mondenlicht,
dazu spielt die Flöte von einem Wicht.*

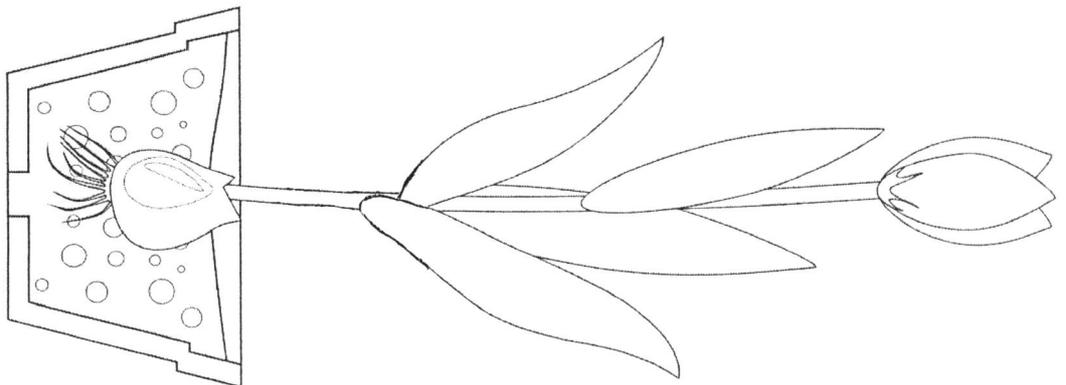

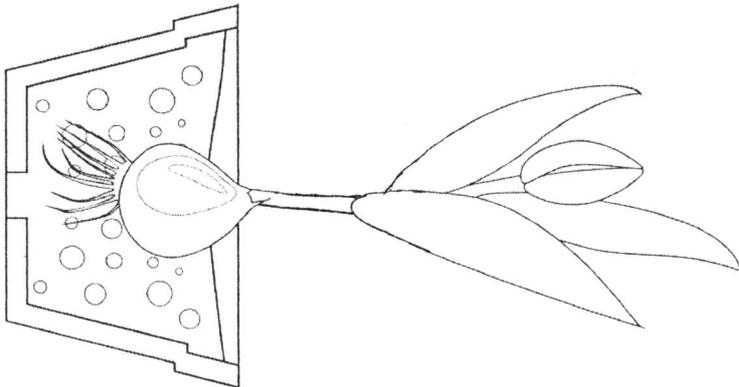

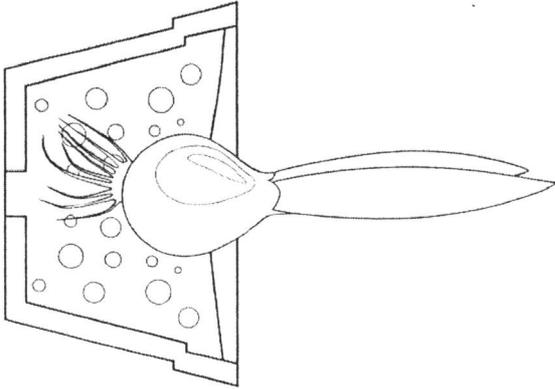

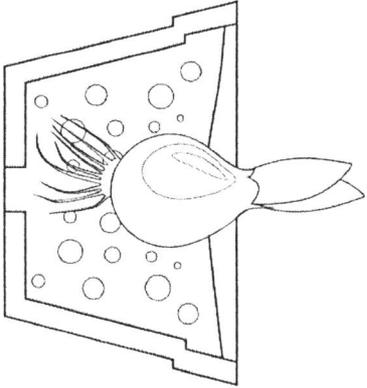

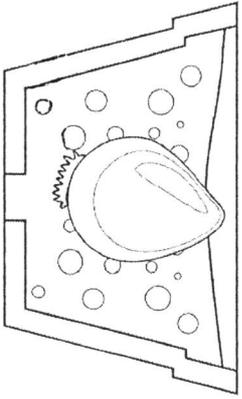

*Man sieht sie nur nachts im Mondenschein,
sie Singen und Tanzen unter dem Wein.*

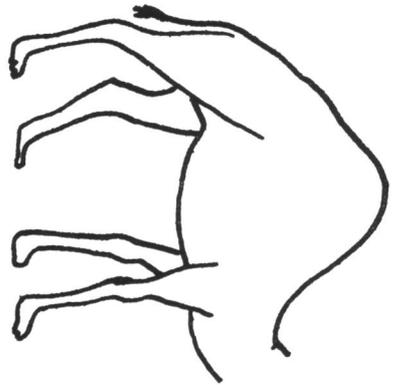

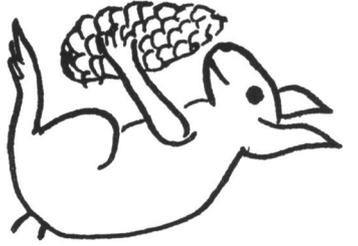

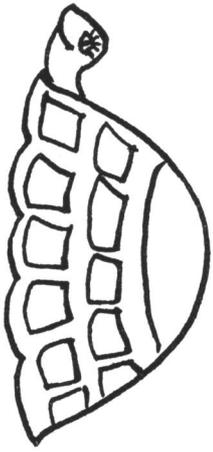

*Leider sieht man sie selten, wenn überhaupt,
denn sie bestehen aus Sternenstaub.*

*Bevor die Sonne aufgeht sind sie verschwunden,
drehen erst am Abend wieder ihre Runden.*

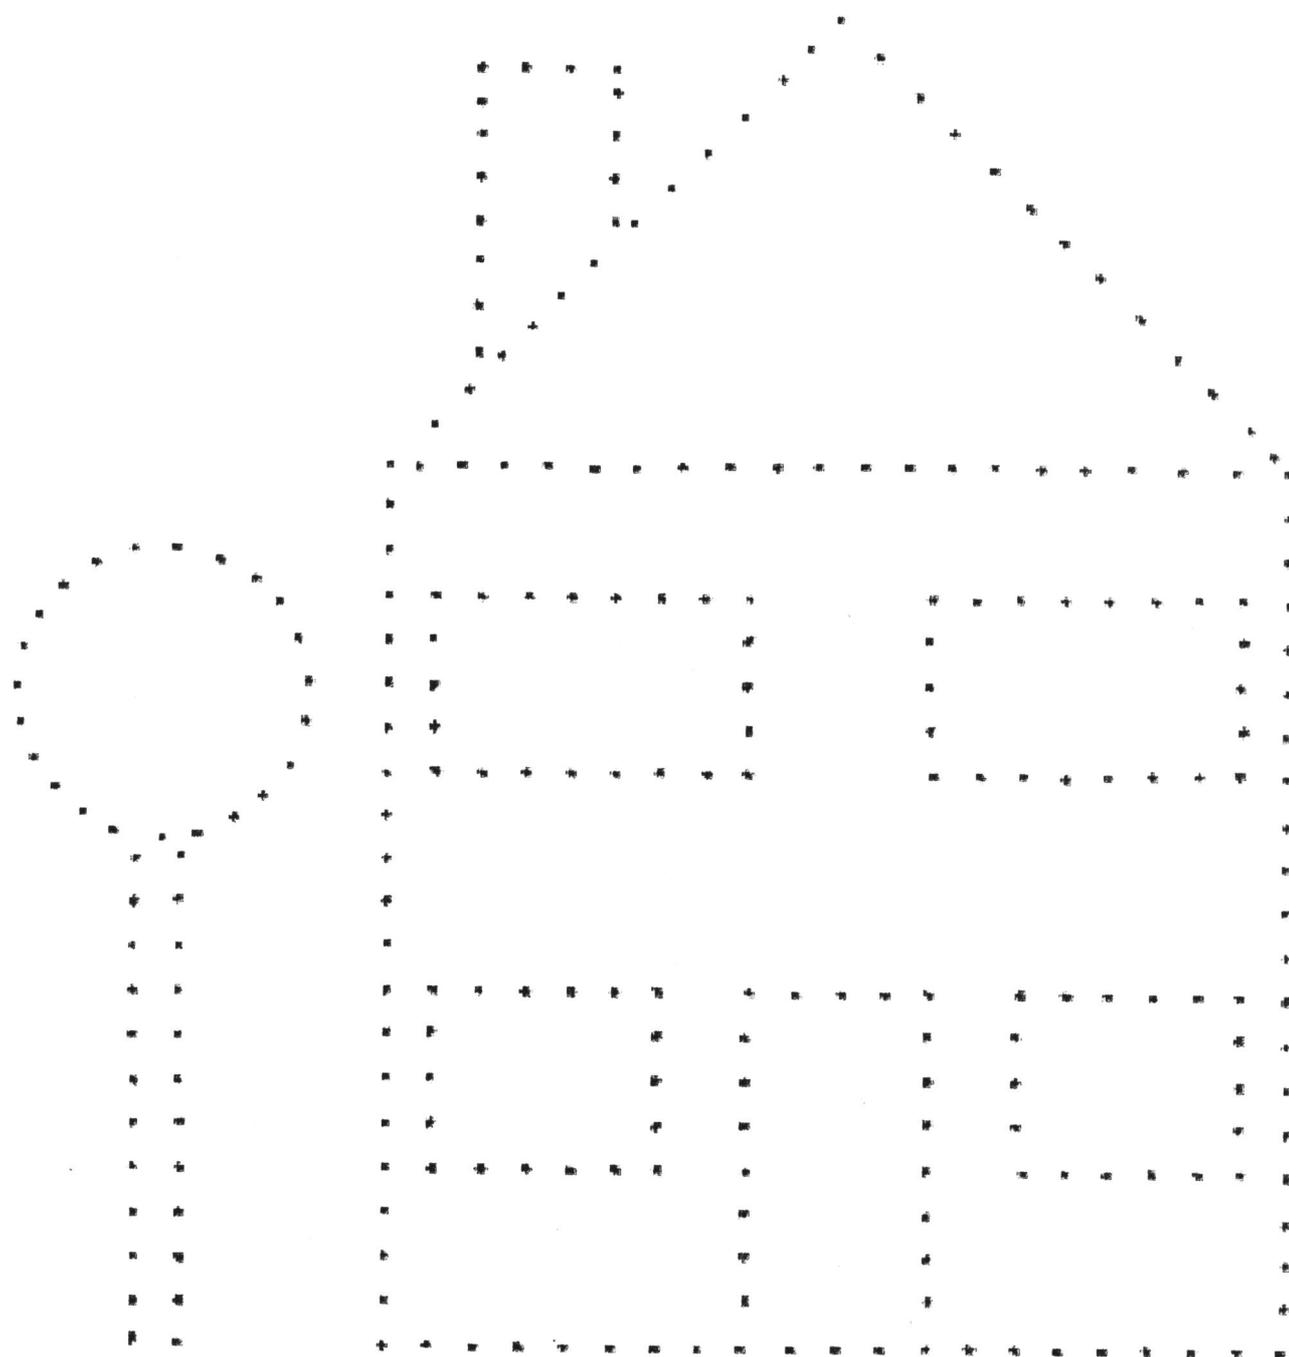

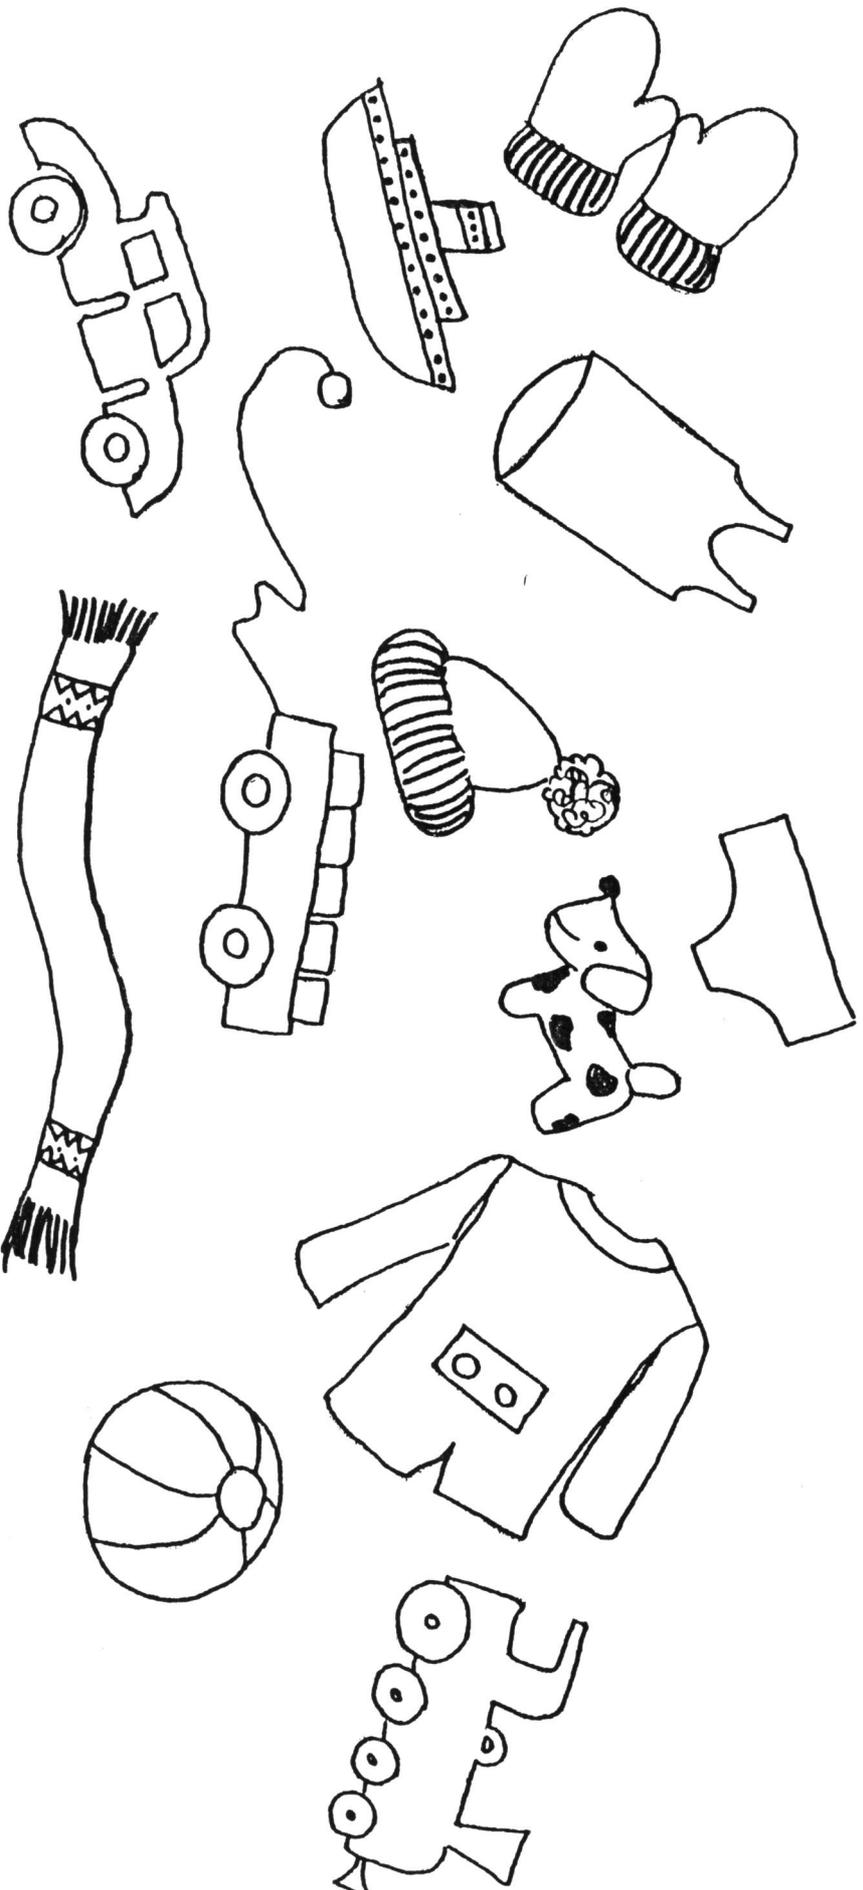

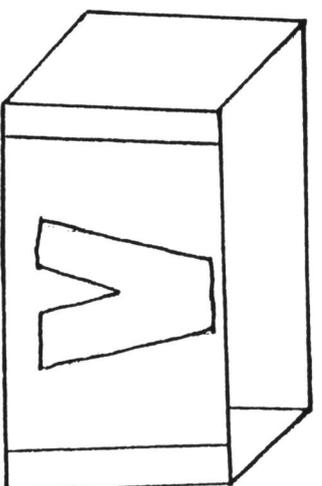

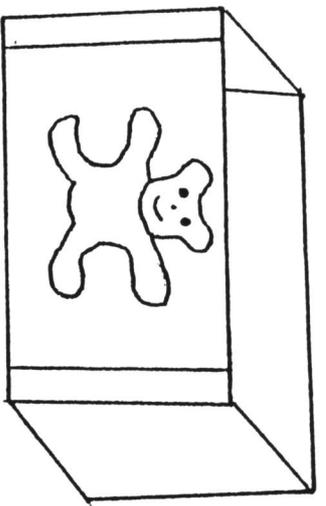

Erpönte was die 20011

Ich verbinde die Punkte (1)

Zum Umzug müssen die Sachen sortiert werden.

Kreuze rot an, was in die linke Kiste
und blau, was in die rechte Kiste gehört.

Auf die gleichen Häusern sind unterschiedliche Muster gemalt. Male in jeder Reihe die Muster nach.

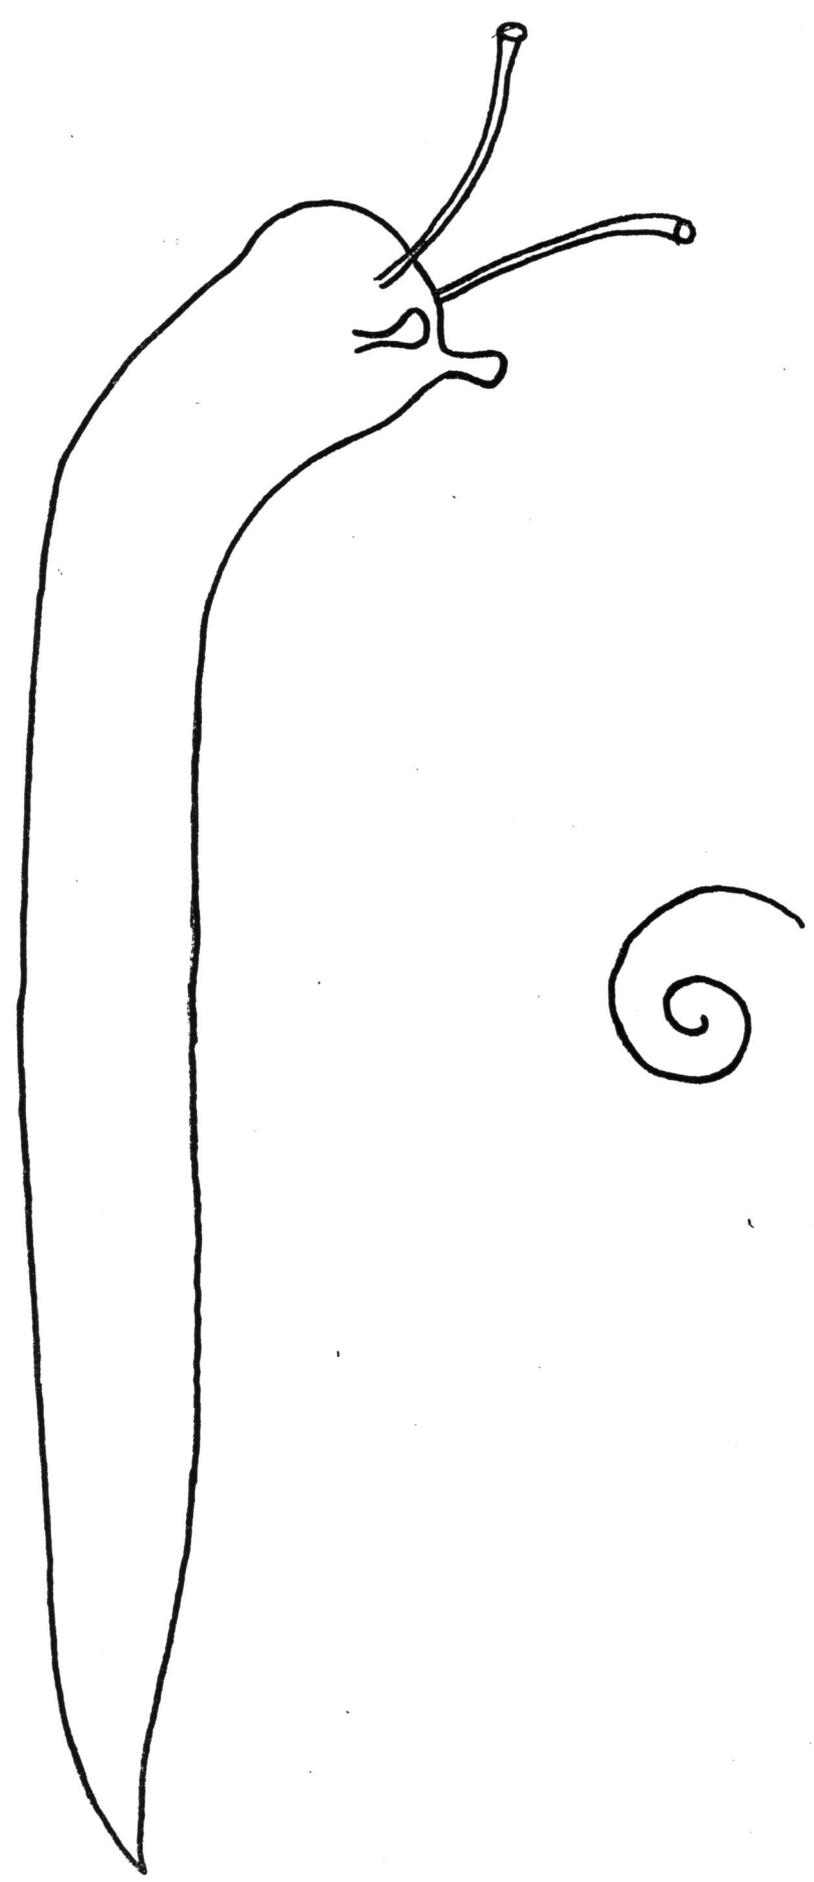

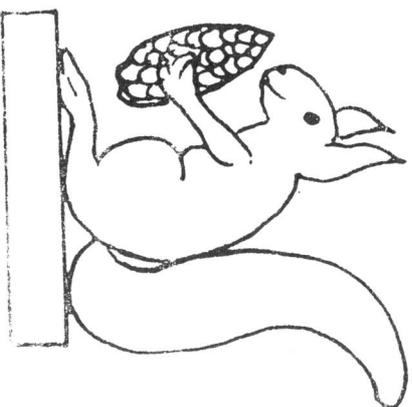

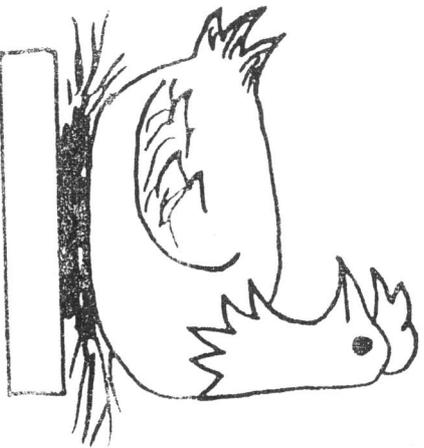

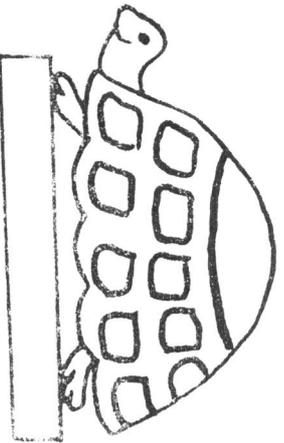

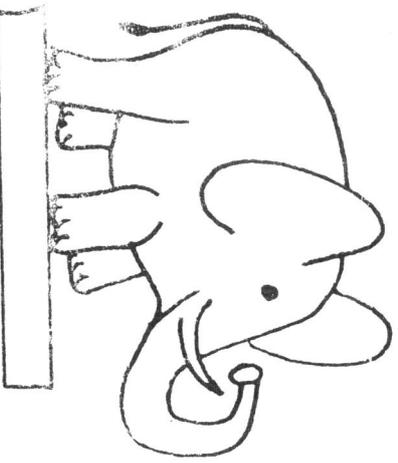

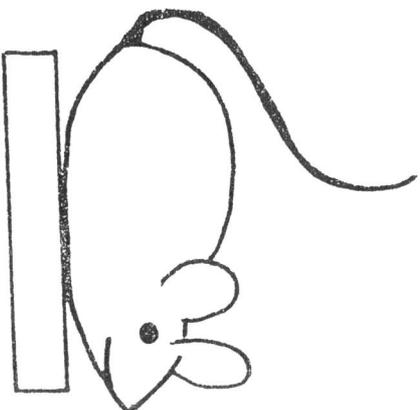

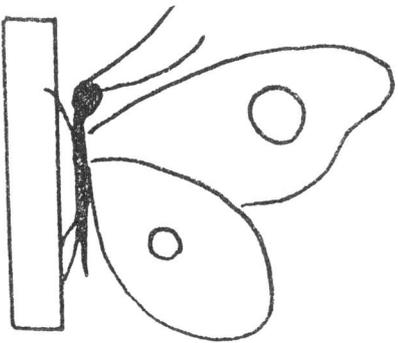

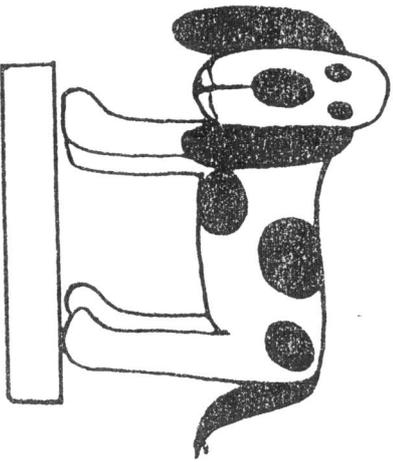

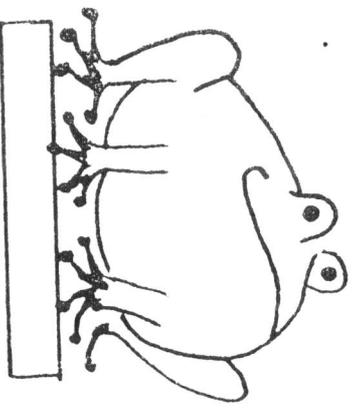

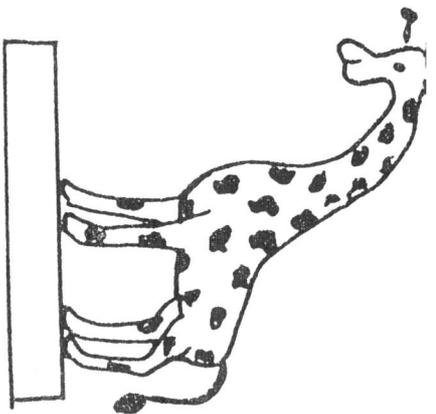

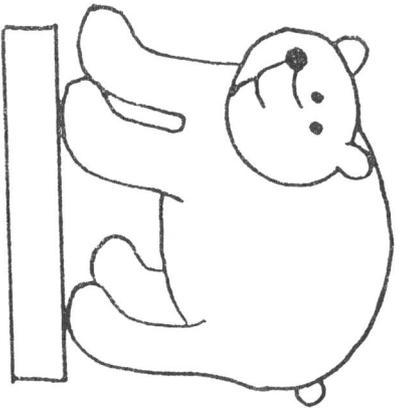

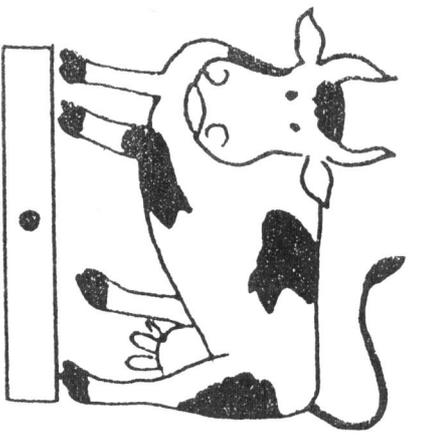

Wie kommt das Kind zu den Dornen?

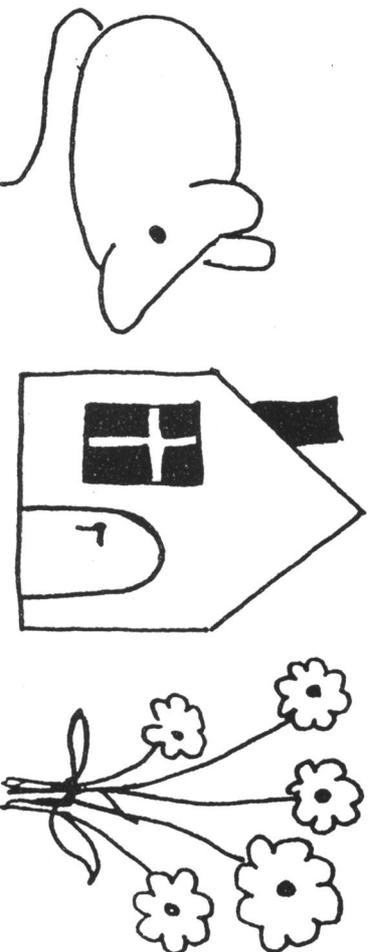

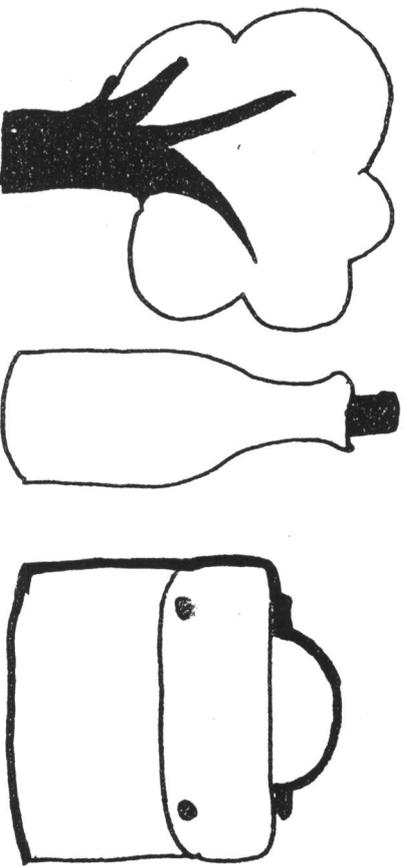

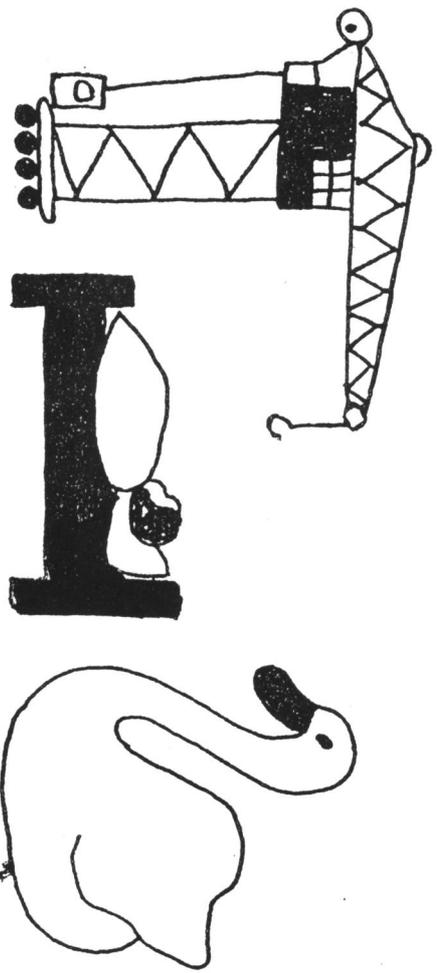

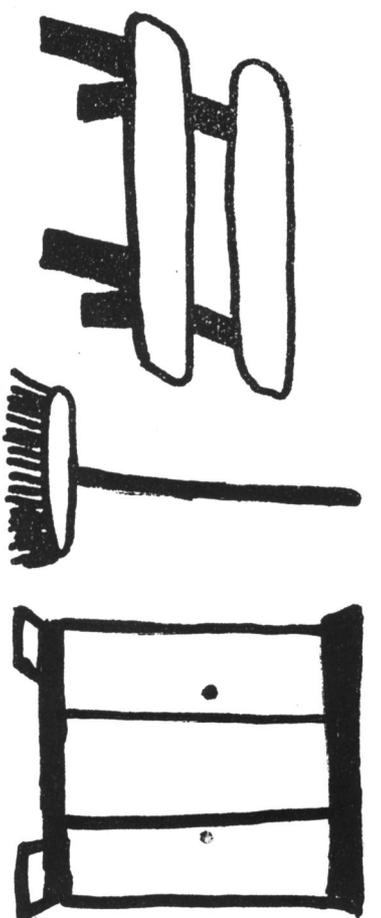

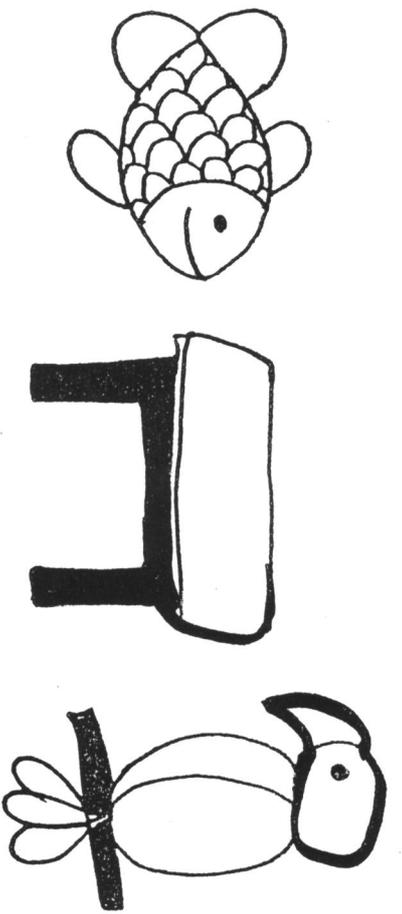

Auge - Hand - Koordination

Male unter die kurzen Tiernamen einen Punkt, unter die langen einen Strich.

Was siehst du alles auf dem Bild?

In jedem Feld reimen sich zwei Wörter. Streiche durch, was nicht paßt.
